SUB-PARTNER/ OYOUTH WATER PLUS CAMPAIGN INDIA 2024

Dear Sir/Madam,

At the outset, I would like to thank you for your interest in partnering with the Youth Water Plus campaign 2024. Youth Water Plus Campaign aims to reach out to youth with awareness and action programmes around water, sanitation, and hygiene (WASH) and climate change across Odisha through multi-faceted and multi-sectoral approach and programmes in collaboration with 40 regular government, non-government organizations, UN agencies and CSOs. More than 5 lakh youth (indigenous, tribal, rural, urban, minorities) are connected through social media to amplify the voices of youth, capacity building, community radio activities, cleanliness drive, observation of important days, advocacy platforms, etc. Youth Water Plus youth represented the campaign at UN Water Conference 2023 at New York UN Headquarters, World Food Forum 2023 at Italy and Conference of Parties (COP-28) at Dubai.

As discussed, we will come up with a partnership for the activities that will be conducted in this campaign from April 1, 2024 till March 31, 2025. Our joint aim is to guide & steer the youth for action & systemic change to combat the climate crisis.

Here are our expectations with you, the commitments expected of you are:

- To support Youth Water Plus branding/ networking/ social media posts related to Youth Water Plus
- Meeting support/ social media engagement, content creation, etc.
- Social media coverage of events and activities related to Youth Water Plus

We also commit to acknowledging you as a partner and encouraging Youth Water Plus youth and partners to participate in our events and activities. We will also make available training modules and trained support as possible for the above activities. We will also be tagging you in our social media posts and sharing your posts on our handles as well.

Please find attached a high-resolution version of the Youth Water Plus logo that can be used for your communication with regards to the program. Request you to please share your logo as well for our use. We will also share 'Jolly' our Mascot creative. We can jointly design thematic creatives around it.

Please sign this letter and the attached Annexure to confirm your partnership with the Youth Water Plus Campaign 2024. We look forward to beginning this exciting journey of Youth Water Plus 2024 with you soon.

Thanking you
On behalf of the Youth Water Plus Campaign
